

GRADS GO GLOBAL

MARCH 30, 2012

TORONTO
THE COURTHOUSE

The Big Idea.

Millions of young people in the developing world do not have access to a safe home or education. With the intention of changing this reality, a team of Toronto professionals, students, and activists have joined forces and developed *Grads Go Global*: a one-of-a-kind philanthropic campaign and event, built to inspire, empower and unite Toronto's student body.

Philanthropy is too often seen as a rich man or an old man's sport, with too little emphasis on the fund and profile raising power of youth. Young people possess high philanthropic potential: they are imaginative and innovative; idealist and inquisitive; creative and connected. Let's give Toronto's teens the opportunity to take meaningful action around an important international cause.

The Big Give.

The funds raised through the event will be donated to Amani Children's Home and will be used to subsidize school, living, and medical costs for Tanzania's most vulnerable children:

- Tuition
- School supplies
- School infrastructure
- Lunch food
- Equipment for extracurricular activities (arts, sports, and music)
- Housing
- Social Work
- Medical Care

Since 2001 Amani Children's Home has been a haven of peace and safety for Tanzania's most vulnerable children, a refuge for children who because of poverty, abuse, and death have been left homeless. Amani Children's Home is committed to reducing the number of children living on the streets in Tanzania by providing a nurturing place for homeless children to heal, grow, and learn. In addition to providing long-term care, Amani aims to reunite children with their relatives when possible and to equip their families with the tools they need to be self-sustainable. *Friends of Amani Canada* is a Canadian Registered Charity # 83170 1354 RR0001.
